

COVID-19 Waiver

On March 11, 2020, the World Health Organization declared the outbreak of COVID-19 caused by the novel coronavirus known as SARS-CoV-2 was a global pandemic. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. Possible methods of transfer include exposure to respiratory droplets spread through breathing or coughing and physical contact with infected people or surfaces. Personal contact with others involves an inherent risk of exposure to disease-causing organisms, including the novel coronavirus, which could result in contracting COVID-19 or other illnesses which could result in permanent disability or death.

As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations including Fairfax County, Virginia, required the use of face masks in public places and prohibited the congregation of groups of people over a certain number.

I, _____, understand that personal contact with others such as the personal contact required for salon services at Colour Bar Studio involves an inherent risk of exposure to disease causing organisms including the novel coronavirus, and that such exposure could result in contracting COVID-19 or other illnesses which can result in permanent disability or death. I am voluntarily and knowingly assuming the inherent risk of such exposure by seeking salon services at Colour Bar Studio.

In consideration of and as part payment for services by Colour Bar Studio, I have and do hereby assume all of the above risks inherent in the delivery of salon services. Further, I agree to release and/or defend, indemnify, and hold harmless Colour Bar Studios, its employees, officers, and agents from any and all liability and/or against any claims, actions, causes of action, and demands of every kind and nature whatsoever relating to COVID-19 which I now have or which may arise out of or in connection with services received.
